

Cheryl Hare, LPN, a Licensed Practical Nurse with Bloomfield School District

Get to know Licensed Practical Nurse, Cheryl Hare, who serves patients in Bloomfield, New Mexico.

New York City, New York Jun 17, 2022 ([IssueWire.com](https://www.issuewire.com)) - Cheryl is a licensed practical nurse currently affiliated with the Bloomfield School District in New Mexico.

On a more personal note, she attributes her success to her love of caring for patients of all ages and being able to make a difference.

A Licensed Practical Nurse (LPN) is on the front line of nursing, interacting directly with patients on a daily basis. They work under the supervision of doctors and RNs, performing duties such as taking vital signs, collecting lab specimens, administering medication, ensuring patient comfort, and performing skills like trach care, foley care, ostomy care, wound care, G- tube care I.V. care, and reporting the status of their patients to their case managers.

LPNs are generally hired in settings such as doctors' offices, hospitals, nursing homes, home health environments, and rehabilitation centers. They must be skilled in balancing care for patients, performing skilled tasks, and completing practical daily administrative duties.
