

Clan Coaster Firm Expands Team and Sustainable Marketing

New Delhi, Delhi Jun 29, 2022 ([IssueWire.com](https://www.issuewire.com)) - Today, NCR's popular growth marketing firm announced that it is expanding its team in India with three new hires and building its presence in Bengaluru, Karnataka. With a portfolio of B2B and SAAS companies like LeadSquared, Zilingo Factory, and Techpacker, Clan Coaster is seeing a good growth opportunity for B2C brands as well. They recently roped in Madpackers Hostels Pvt. Ltd. which is a chain of backpackers' hostels.

From its results, they have decided to expand its network locally in Bengaluru for B2C companies as well. This will help in providing on-the-ground support for companies and founders, and also, help them in revenue generation.
