

Corey E. Golding, MD, a Radiologist with UM Capital Region Medical Center

Get to know Radiologist Dr. Corey E. Golding, who serves patients in Largo, Maryland.

New York City, New York Jun 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - Well-versed in the field of radiology, Dr. Golding is affiliated with UM Capital Region Medical Center, working with patients in Largo, Maryland. He can also be found on staff at the University of Maryland Medical Center, University of Maryland Medical Center Midtown Campus, and UM Charles Regional Medical Center.

Located in Largo in the heart of Prince George's County, the new state-of-the-art UM Capital Region Medical Center offers improved access to primary and ambulatory care services and serves as a tertiary care center for critically ill patients. The new space allows them to expand their offerings as a community partner to help improve the health status of Prince George's County residents.

Graduating with his medical degree from the Howard University College of Medicine in 2001, Dr. Golding went on to further his training by completing his residency in diagnostic radiology at the Howard University Hospital and Bronx-Lebanon Medical Center. Later, he completed his fellowship in neuroradiology at the Medstar Georgetown University Hospital.

An authority in his field, the doctor is board-certified in diagnostic radiology and neuroradiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
