Get to know Internist Dr. Cory Gaiser, who serves patients in Cincinnati, Ohio.

New York City, New York Jun 10, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Gaiser is a board-certified internist with a specialty in aesthetics and is the Medical Director of New Body Aesthetics in Cincinnati, Ohio. Known for his honesty, humor, and caring bedside manner, he has dedicated his career to helping others. He is proud to offer direct primary care and cutting-edge aesthetic treatments to patients throughout the community. He seamlessly blends his medical experience and expertise with his refined aesthetic skills to help men and women improve their health, confidence, and overall quality of life.

Academically, he obtained his Bachelor of Science degree in Biology and a minor in Chemistry from the University of Michigan, and then went on to attend the American University of the Caribbean School of Medicine, where he earned his medical degree. Upon completion of his formal studies, he attended a rigorous residency in internal medicine at The Jewish Hospital – Mercy Health in Cincinnati, serving as Chief Resident in his final year. He has also received extensive training in a wide range of aesthetic medicine treatments and techniques, including laser-assisted liposuction and transfer with BeautiFill.

Passionate about his profession, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Recognized for his unwavering dedication to patient care, Dr. Gaiser was bestowed the 2020 Health Care Heroes Provider of the Year award by the Cincinnati Business Courier. He is also an active member of the American Medical Association and the American College of Physicians and is certified to recommend medical marijuana by the State Medical Board of Ohio. In addition, he trains other healthcare professionals as an American Heart Association (AHA) Advanced Cardiac Life Support (ACLS) instructor.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Devoted to improving the lives and well-being of others, Dr. Gaiser is passionate about donating his time and expertise in a wide range of capacities as a volunteer. He is also a renowned apiarist (beekeeper) in the Cincinnati community and noted authority in modern beekeeping and conservation efforts. During his free time, he can often be found kayaking, training for a triathlon, or exploring ocean life on scuba diving excursions.
