

CubexSoft Tools Updates Its “PST to MBOX Converter” with More Efficient Features

This press release announces the introduction of updated version 16.6 of CubexSoft PST to MBOX Converter Software. The new version comes with an advanced option to convert a bunch of PST files into MBOX file format without any data loss.

New Delhi, Delhi Jun 28, 2022 ([Issuewire.com](https://www.issuewire.com)) - The PST to MBOX Converter is designed with an easy-to-use graphic user interface, and non-technical background users can also run the software without the hassle and will not face any issues while performing PST files to MBOX conversion.

Moreover, based on the news and updates, the product is designed to fulfill the trending need of the market to convert PST to MBOX-supported email clients like; Mozilla Thunderbird, Apple Mail, Eudora, Entourage, SeaMonkey, and many more.

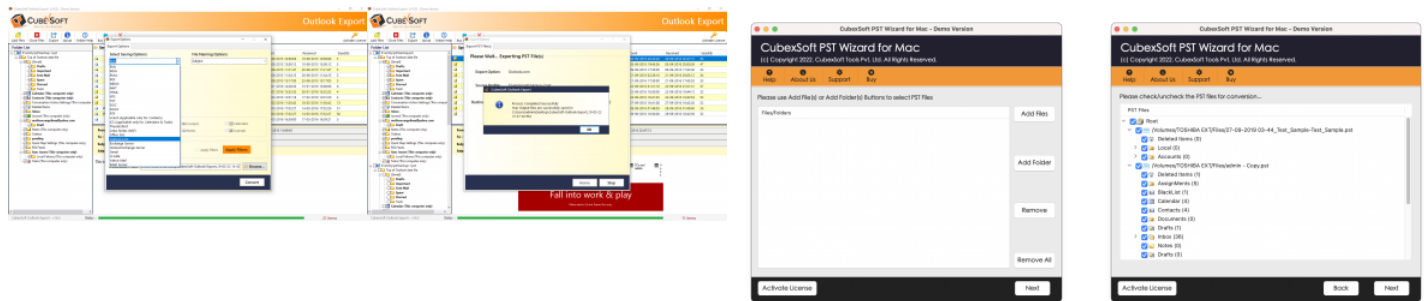

In fact, the [PST to MBOX Converter](#) application has originated with a few enlightening features, which makes it capable of standing as a unique product among all others available for the same. The most amazing feature of the software is batch converting PST files into MBOX file format without Outlook.

Professional PST to MBOX Converter Software is integrated with the following set of notable features:

- Offers dual-mode options to select PST files; Export Single Files and Export Multiple Files.
- Allows to bulk export Outlook emails from PST to MBOX file format.

- No need to install the Microsoft Outlook email application for the conversion.
- Option to convert selected PST files into MBOX format with attachments.
- Perform a quick migration without affecting the original folder structure.
- Supports all MBOX-based email clients: Thunderbird, Apple Mail, SeaMonkey, Entourage, etc.
- Suitable for both Windows OS and Mac OS versions.

CubexSoft Tools PST to MBOX Converter is offered with a trial edition to evaluate its working. Thus, users can first download the [free PST Converter](#) to MBOX software, study its functioning, and then, after full satisfaction goes for the purchase of its full license.
