

Dr. Archana Choudhry - Representing India at Mrs. Universe

An insight into her inspiring journey as an Ophthalmologist and an International Pageant Queen.

Mumbai, Maharashtra Jun 18, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Archana Chowdhry is an established Ophthalmologist. She's the Medical Director of Ruby Hospital and owner of Arogyam Eye Clinic in Mumbai.

It was Archana's love for glamour combined with her philanthropic attitude that helped her venture into the world of pageantry. "There's always been a glamorous side to my medic exterior", she quips enthusiastically.

As the winner of the coveted pageant - Diadem Mrs. India Legacy 2020, Dr. Archana Chowdhry is all set to make her international debut. She will represent India at the Mrs. Universe pageant as Mrs. South Asia Universe.

The contest will be held in South Korea at The Ocean Resort, Sohodong Yeosu, from 22nd June to 1st July, 2022.

The judging panel will consist of several renowned fashion personalities from across the world. The representatives of each country are going to be evaluated on the basis of their performances in a series of rounds including the Evening Gown, National Costume round and Q&A.

For the gala event, India's National Costume and Evening Gown has been designed by the prominent designer Modocaldo by Jigyasa Jolly. The jewellery partner for the finale is Elysia Art Jewellery.

Moreover, the contestants of each country will speak at the Domestic Violence Forum during the Mrs. Universe finale. Dr. Archana will give a presentation to create awareness about the plight of domestic violence victims and figure out possible solutions.

On a concluding note, Dr. Archana adds, "I feel extremely honoured to be chosen to represent India at Mrs. Universe. It's a dream come true, all thanks to the love and support of my dearest family and Diadem's founder, Amisha Chaudhary, who guided me throughout this journey. I'm really excited to find out what the next two weeks have in store for me".
