

DWEC felicitated prominent universities for their commendable impact on refining global education

DWEC organized a well-thought-out conclave on the Future of Global Education, highlighting the need for global education for inclusive progress

New Delhi, Delhi Jun 20, 2022 ([Issuewire.com](https://www.issuewire.com)) - An exclusive one-day conclave was hosted by the Dynamic World Education Community (DWEC) with HSBC as their association partner and NSDC extending their support as a Knowledge partner. The conclave was to deliberate on the future of global education and felicitate the best-in-class in the field of education on 9th June 2022, in New Delhi. The event emphasized the prominence of achieving worldwide education and why studying abroad is crucial for one's holistic and personal development. The event was a massive hit, witnessing leading educationists from different walks of life.

The occasion started with an address from the Chief Guest, Shri Amitabh Kant-Chief Executive Officer of the NITI Aayog. He shared his vision of the future of global education & how India is leading the challenge in sending students abroad. Mr. Kant, in his speech, elaborated on the importance of internationalizing education to keep up the pace to move to industry transformations and his vision to make India an education hub. This was followed by a profound, insightful address by Prof. Sahastrabuddhe, Chairman of the All India Council of Technical Education (AICTE). He was the guest of honor of the conclave. Prof. Sahastrabuddhe touched upon aspects of education, skilling, and the future roadmap. Other guests of honor and special speakers included Mr. Ved Mani Tiwari, COO,

National Skill Development Corporation, Prof. Dr. MP Poonia, Vice Chairman, AICTE, and Dr. Biswajit Saha, Director Central Board of Secondary Education.

Mr. Varun Khosla – Chairman of DEWC, brought forth the need & necessity of such events and why Global education is essential for one's success. Ms. Puja Saluja, Founder & CEO of DWEC, presented DWEC's vision and mission. She shared her journey and how DWEC provisions students to accomplish the best global education. Apart from making lives more straightforward for students seeking to study abroad by offering a one-stop solution to all their needs. DWEC has counseled more than 84000 + students across the globe. It has been tied up with 3300+ institutes in 20 countries and offers 84,000 courses globally. Students are guided based on their aspirations, past history in academics, and social achievements. All at zero cost to the students!

The interactive event started with HSBC, emphasizing the banking needs of students studying abroad. Being a Global Banker, HSBC having the reach in almost all preferred locations for study abroad for students gave insights into the financial aspects involved while studying abroad.

Furthermore, the conclave saw various interactive rounds of panel discussions with renowned Industry leaders, Education leaders, Practice leaders, Vice-chancellors, Principals, and other subject-matters experts. The topics covered under the conclave were - Pathways -gateway to affordable education, new age career counseling, making the Gen Z ready for the jobs of tomorrow, and the future of global education as the central theme.

The audience had interesting mindful takeaways from all the sessions.

In the event's second half, Dr. Biswajeet Saha, Director, CBSE (Training & Skill education), addressed the audience. He emphasized 'Heart & Mind interaction while taking a decision and doing what is right.

He also shared insights on how CBSE promotes the holistic development of students across the country and abroad.

The evening saw a considerable audience inflow to the award ceremony felicitating top nominations and winners across various categories. Amongst the leading institutions that were saluted was Shri Satyavir Lal Jain as "Life Time Award" for his noteworthy contribution to education, Grand Columbus International school for promoting quality education, Springdales Dhaula Kuan as Institute of Eminence, Trinity Institute in professional studies felicitated with the Fastest growing Institute, Maharishi University Of Information & Technology was awarded for being the leading University of NCR & Uttar Pradesh, GD Goenka University for being the top University with Global Outlook, Shri Educare Limited- for Promoting Quality Education, Sharda University for promoting International Exposure, Mangalmay Group of Institutes- Model Group Of Institutes, Arni University- Upcoming University (North), Prof(Dr) Rajat Sharma – Global Chairman- Unity of Nations Action for Climate Change Council -Empowering climate change knowledge, Hoping Minds – Best Placement oriented Edutech, GLA University- Commendable university in Placement, Aggarwal College- Ballabgarh and Mr. Saurabh Jain, Chairman - Research Foundation of India for "Environment Health & Safety(EHS) Education".

The conclave was co-presented by the Association of Indian Principals. The organization that supported GLA University was the University partner, Ed4All, an Ed-tech as prosperity partner. Intercell - Virtual Mentor Network joined hands as the Mentoring Partner and Learn N Inspire as the Visionary School Partner. CNN News 18 and CNBC TV8 were their exclusive media partners; the conclave will see the telecast version on both the channels as a post-coverage episode.

DWEC's senior management team included Mr. Ahsan Khan, COO, and Mr. Vineet Mehrotra, President - India & Global Operations. They moderated panels and hosted the evening award successfully.
