

Edward Kosoy, MD Family Physician with Advanced Preventive Medicine

Get to know Dr. Edward Kosoy, who serves patients in New Jersey.

New York City, New York Jun 2, 2022 ([Issuewire.com](https://www.issuewire.com)) - A committed and reliable double board-certified in Family Medicine and Anti-aging Medicine

Dr. Kosoy MD sees patients at two office locations - Advanced Preventive Medicine - in Denville and West Caldwell, New Jersey. He is committed to helping people with fatigue, weight gain, depression,

joint pain, sexual dysfunction, sleep problems as well as a wide range of hypertension, diabetes, thyroid, and other disorders. He has the knowledge and skills to identify symptoms, make the proper diagnosis, and recommend the appropriate treatment. He has been practicing in New Jersey for over 20 years.

Dr. Kosoy regularly attends seminars and continuing education to stay on top of new advances in care. Doctor Kosoy is also working with his residency program as an associate professor, teaching residents and medical students. Dr. Kosoy has hospital privileges where he personally follows his patients at Mountainside Hospital. He also does house calls on patients in the area, those who are disabled and bed-confined.

Academically, he earned his medical degree from the Ross University School of Medicine. He then completed his internship and residency in family medicine at Mountainside Hospital Family Practice Residency program in Verona NJ.

Licensed to practice medicine in New Jersey, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). He is also board certified in Anti-aging Medicine, which is central to staying young and active and promoting a healthy lifestyle.

Remaining up to date in his field, Dr. Kosoy is an active member of the American Academy of Family Physicians (AAFP) and the American Academy Anti-Aging Medicine (A4M).

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. Doctor Kosoy sees patients from age 16-100+

Doctor Kosoy's motto is "an ounce of prevention is worth a pound of cure" this is very important because if medical problems are caught early by following screening recommendations they are easier to manage and complications easier to avoid.
