[Eatance](#) is building a massive ecosystem where Restaurants get new customers and higher sales. Consumers get their favourite food at a low cost, while the restaurant team can improve their efficiency and reduce communication errors. It was recognized as one of the Top 5 Mobile Commerce Solutions in the World by Startups-insights.

Eatance provides a stunning sales-enabled restaurant ordering website, online POS system, contactless dine-in, table booking, digital restaurant menu for social media, plenty of promotional options, and much more in one platform at less than one order value. Restaurant owners can increase their online visibility by at least 50% and tap into a new pool of customers without thinking about huge capital investments like rent, staffing, services, marketing, and inventory. Eatance offers a worry-free hosted digital solution that starts selling food dishes online from day one.

With years of continuous services and support for Magento Development, [Evincemage](#) now has a robust backbone of Magento Technology services.

Coming back to Evince Development, the company has completed over 1,200 projects with a spectacular success track record in delivering mobile apps, eCommerce, and web development solutions while advancing the organization and preparing for CMMI Level 3. Its 200+ team serves

clients in transportation and logistics, retail and e-commerce, travel and hospitality, healthcare, startups, government & public sector, education, and other industries in over 28 countries.

About Evince Development: Evince Development has been awarded as a Best Website Design Agency by Design Rush, Top 1000 Companies category in Clutch Global, Top Software Developers, and Top React Native App Development Company in the USA by Top Developers.

EvinceDev relies on Full-stack Development, E-Commerce Development, Custom Web Development, Mobile App Development, UI/UX Design, Manual & Automation Testing, and Marketing Services.

Quote from CEO and founder of Evince Development "**Client Satisfaction & the success of our clients is one of the best things we look forward to.** We appreciate our association and your trust during the past years, and we wish to continue serving you better for another decade." - [Maulik Pandya](#).
