Get to know Dentist Dr. Fratmishin John Alexander, who serves patients in Chicago, Illinois.

New York City, New York Jun 24, 2022 ([IssueWire.com](https://www.issuewire.com)) - A devoted dentist, Dr. Alexander currently serves patients at her private practice in Chicago, Illinois, which she opened in 1988. With over three decades of experience in her field, she provides comprehensive dental care for patients of all ages, including general, cosmetic, and restorative dentistry.

Academically, she holds a Doctor of Medicine in Dentistry degree. Her patients have excellent experiences with her, one stating, "Dr. Alexander is a diligent dentist. I have been seeing her and her team for a few years now, and she is a pleasure to have examined my teeth. Very patient, insightful, helpful, and courteous to all her patients' requests/needs. She is not exactly conveniently located near my home, but I will go out of my way (even drive 90min back and forth) to see her. I wouldn't change my dentist for a convenient LP office after experiencing her devoted commitment to improving the quality of my mouth and the integrity of my teeth! Greatly appreciate Dr. Alexander and her office team!"

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
