# Get drenched in a retro pop essence with A1kellz's latest single 'Hopeless Romantics'

**Canada-based emerging music artist A1kellz is garnering attention with his latest single 'Hopeless Romantics', appearing in the upcoming album, 'I Lost All My Friends'.**

**Ontario, Canada Jun 22, 2022 (**Issuewire.com**)** - Retro pop music creator, **A1kellz** is ready to kick off this season with his upcoming album 'I Lost All My Friends' and the anticipation is high. Music enthusiasts, already aware of his talent, are set to join a musical journey to the past. The album is deftly produced and offers a blended taste of modern pop and retro pop music that captivates everyone. The single '**Hopeless Romantics**' is appearing in this upcoming album and offers a preview of the whole project. The track is masterfully composed with a retro soundscape that consists of electronic beats and a nostalgic essence.

The artist's meandering vocal skills add an extra layer of creativity while the indulgent lyricism churns out deeper emotions. Just like the title suggests, the track is based on a melancholic romantic aspect. **A1kellz** was born and raised in the Bahamas but currently, he is residing in Canada. With his musical contributions, the artist is looking forward to creating a new musical wave in the industry with his sheer talent and skills. The latest track '**Hopeless Romantics**' is paving the way for success for the artist. Stay tuned and follow the artist on all the major music platforms to find out more about his upcoming music.
