New York City, New York Jun 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - Alliance Endodontics strives to provide unsurpassed quality in a compassionate environment of professionalism and clinical excellence. Their expert team, led by respected dental care specialists Dr. Benjamin Webber, Dr. Theodore Y. Tutwiler, and Dr. Branimir Lackovic, includes an experienced dental reception team and caring dental assistants to serve their patients. They look forward to serving their patients and hope to exceed their expectations.

Dr. Benjamin Webber, DDS

An exceptional endodontist, Dr. Webber enjoys offering root canal therapy in a world-class state-of-the-art facility in Clarksville, Tennessee.

Back in the early days of his academic career, he earned his Doctor of Dental Surgery degree from the

renowned Virginia Commonwealth University School of Dentistry. He received a competitive military scholarship while working on his doctorate, and served as a general dentist in the army for three years.

While in the army, Dr. Webber completed a 1-Year Advanced General Dentistry residency program, focusing on the oral surgery and endodontic disciplines. After serving honorably, he was accepted to an endodontic residency at the University of Buffalo School of Dental Medicine, where he was trained in microscopic endodontics and surgery.

An outdoor enthusiast, he enjoys traveling, skiing, snowboarding, motorcycles, and racing cars in his free time.

Dr. Theodore Y. Tutwiler, DMD

Well-versed in the field of endodontics, Dr. Tutwiler provides the highest quality of endodontic treatment with skill, compassion, and gentleness.

Academically, he graduated summa cum laude from the University of Alabama with a Bachelor of Science degree in Biology and earned his Doctor of Medicine in Dentistry degree from the University of Alabama at Birmingham, where he was Valedictorian of his graduating class (1/60).

Subsequently, Dr. Tutwiler went on to complete a two-year Advanced Education in General Dentistry residency at the renowned University of Texas Health Science Center in San Antonio, serving as Chief Resident his entire second year. His passion for endodontics led him to Saint Louis University, where he received his Master of Science degree and Specialist Certificate in Endodontics.

In his spare time, he enjoys hiking, football, and spending time with his family and friends.

Dr. Branimir Lackovic, DDS

Born and raised in Toronto, Ontario, Canada, Dr. Lackovic attended the University of Toronto for his undergraduate education and received his Doctor of Dental Surgery degree from the University of Toronto Faculty of Dentistry in 2005.

After dental school, he attended a General Practice Residency at the Queen's Medical Center in Honolulu, Hawai'i where he stayed to be the Program Director. During that time, he realized his passion for endodontics and pursued his Endodontics Specialty Certification at the State University of New York at Buffalo. He graduated as an endodontist in 2009 and has been practicing in private practice ever since.

An authority in his field, Dr. Lackovic is board-certified in endodontics by the Royal College of Dentists of Canada.

On a more personal note, he enjoys kiteboarding, snowboarding, motorcycles, sailing, music, traveling, and hockey.

Endodontics is the dental specialty concerned with the study and treatment of the infected and inflamed dental pulp. Along with two to three years of advanced training beyond dental school, endodontists have incredible precision and hand-eye coordination, making them highly skilled in performing complex treatments. They use the most specialized and advanced technology to treat tooth pain and perform root canal treatments. No one is better at saving your natural teeth!
