

# IBM Sterling Integrator- Pragma Edge

Jacksonville, Florida Jul 1, 2022 ([IssueWire.com](https://www.IssueWire.com)) - PragmaEdge : <https://pragmaedge.com>

## About Pragma Edge INC.

[Pragma Edge](https://pragmaedge.com) is a software, **SaaS, and consulting services** company that drives digitization data integration, and process automation. We are one of the fastest-growing companies in the **United States**. We are achieving this growth by helping our customers to achieve their goals, delivering innovation, collaboration, and agility with solutions and services that improve their bottom line and business operations. We are a team of "**Doers and Thinkers**" who take a pragmatic approach to address the needs of our customers.

## IBM Sterling B2B Integrator

[Sterling B2B Integrator](#) is designed to help companies address these challenges by providing a scalable, secure, and always-on platform for seamless connectivity and information flow across the B2B value chain and partner ecosystem. [Sterling B2B Integrator](#) is a highly flexible platform that supports data transformation and most communication protocols tightly secure the B2B value chain and data; leveraging distributed data centres and near real-time replication to achieve high availability of operations. The solution also enables companies to reduce costs by consolidating on a single platform and automating B2B processes across enterprises while allowing for a greater degree of governance and visibility.

- Easily and seamlessly connect with partners
- Streamline business processes management
- Establish clearer, deeper visibility
- Secure the B2B value chain and data
- Deliver high-availability B2B operations
- Access application extension and certified container support

## Why PragmaEdge INC

In addition to delivering seamless, secure, and always-on connectivity, Sterling B2B Integrator helps deliver additional business value in terms of:

- **Reducing supply chain costs**
- Boosting channel productivity
- Speeding sales channel development
- Elevating customer service levels

To learn more about how IBM Sterling B2B Integrator can help your business achieve seamless, secure, and always-on connectivity across the value chain, please visit us: <https://pragmaedge.com/>
