

Icelandic & Irish Citizens Can Enjoy A Fast Entry To The United States With us-visa-online

Los Angeles, California Jun 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - The United States of America is a dream place to visit for many foreign nationals. Every other individual wants to visit the country at least once in their lifetime. With all the tourist rush coming from Europe toward the U.S., Ireland and Irish citizens have been showing a huge interest in visiting America. On the other hand, privately-owned expert agency **us-visa-online** has made the job of applying for a US visa even easier. With the new online application process, applicants are not required to visit the US embassy anymore and can get their visas issued by staying at their homes. As Ireland and Iceland were both the launch members of the US visa online program, citizens of both the countries get the benefit of accessing a fast entry into the United States.

To check the eligibility criteria, Iceland citizens can visit the website by clicking here <https://www.us-visa-online.org/esta-us-visa-eligibility/icelandic-citizens/>. The rest of the process for the **US visa for Iceland citizens** and the **US visa for Irish citizens** remain the same. Willing applicants need to fill up the application form with all the details such as email address, contact details, and passport details. They also need to ensure that the validity of their passport must at least be three months past the expected departure date. Working hand-in-hand with the US Immigration Department, the agency has made the process simple by allowing applicants to pay in an encrypted form by using debit cards, credit cards, or even PayPal. The process for the visa approval commences after the successful payment of the US visa fees.

upon approval, the US visa gets delivered electronically via the applicant's provided email address. It carries a validity of two years and also lets the Irish and Icelandic citizens multiple entries during the validity period. Nationals of Ireland and Iceland must also note that they cannot extend their single stays for more than 90 days. However, if visitors intend to stay for a longer time, they must apply for a relevant visa depending on their circumstances. For more information, Irish citizens may visit the agency's website by clicking on this link <https://www.us-visa-online.org/esta-us-visa-eligibility/irish-citizens/>.
