About the Book

"I'm Going to Make It!" is a motivational story that follows the journey of Larissa, an African American woman, who is made to leave her children back home as she is sent to prison. As she is forced to face a reality she never thought of, she learns to make her way through it.

Amidst life in the correctional facility, the memories of her children and trauma of her abusive past she struggles to make sense of the new world around her. "I'm going to make it!" is a story of passion; a passion to survive through the darkest of days. Read on to learn of Larissa, and her life behind the bars, and then outside of them.
