India eVisa Application

New Delhi, Delhi Jun 14, 2022 ([IssueWire.com](https://www.issuewire.com)) - Filling out the application for Indian Visa for US citizens has become easier than ever. Citizens of the USA no longer need to visit the embassy and struggle to get a visa to visit India. USA citizens are eligible for the electronic India Visa since 2014. Before that, applicants needed to complete a lot of paperwork to get a visa. However, this initiative of the Government has made it easier for people to get an eVisa. Indian Visa allows the USA citizens for short-term stays in the country.

It allows the visitors for sightseeing, tourism, organizing business meetings, setting up an industry, medical emergency, and other business or technical meetings. Applying for **Indian Visa for US citizens** is easy and simple. You need to click on the link and fill out your personal details- <https://www.indiavisa-online.org/home/application>. After filling out the details, you need to pay for the application. You can pay through debit cards, credit cards, or PayPal in 1 out of 135 currencies. As soon as you have completed your payment, your application is submitted.

After submitting the form, your eligibility for the visa will be verified by the concerned authority. You will get the visa within 24 hours if approved by the authority. The visa will be sent directly to your registered email account. It is advisable for all the applicants to check the details and passport validity before submitting the form.

The citizens of the United States can stay for less than 180 days with a visa. The validity period and duration of stay are different. The visa is valid for 5 years. Applicants are requested to apply for the visa at least 72 hours before the boarding to avoid any problem caused by any unprecedented technical glitch. The Indian Visa will allow entry from 28 authorized airports and 5 seaports. If you are coming for any medical emergency, you have to submit the letter from the hospital you will get the treatment. If you want to visit India for trade-related reasons, apply for an eBusiness Visa.
