

Indian Medical Visa For The Medical Patients Seeking Treatment In India

New Delhi, Delhi Jun 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - Medical patients who want to pay a visit in India require India medical Visa or (an e-Visa for India for Medical Purposes). Especially when an urgent medical requirement arises, it is difficult to visit the embassy and apply for a visa. In an emergency time, you require a service that makes the procedure for applying for the Visa easier. To help international visitors in a medical emergency, the Government of India has made the online application of Visa. The visa will grant your stay in India for medical purposes only.

Applying for **Indian Medical Visa** is easy but it would help if you met certain eligibility conditions. Other than medical requirements, you also need to meet the other general requirements for the visa. As long as you meet the criteria, you will be a perfect candidate for the Indian medical Visa. The visa will grant your stay for 60 days in the country from the date of entry. So, you would be eligible to stay in the country only if you do not exceed 60 days. The medical visa is a triple entry visa which means the visa holder can visit three times during the validity period.

The Indian medical Visa is allowed to the candidates only on the basis of medical grounds. The required documents you need to submit on the first page of the passport, which should be the Standard passport. The passport must be valid for at least six months from the day of entry. You have to provide you're a passport size colored photo, your email address, debit card or credit card details for application fees, and a letter from the hospital where the visitor will get the treatment from.

It is advisable for all the applicants to apply for the visa at least 4-7 days before entry. In the application process, you do not need to visit the embassy. You must ensure that your passport has two blank pages

for the immigration officers to stamp on it. After the verification, the visa will be sent to your registered email address. For more information, click on the link- <https://www.india-visa-online.org/types/india-medical-visa>.
