

Ishmael A. Jaiyesimi, DO, MS, FACP, a Hematologist-Oncologist with Beaumont Hospital, Royal Oak

Get to know Hematologist-Oncologist Dr. Ishmael A. Jaiyesimi, who serves patients in Royal Oak, Michigan.

New York City, New York Jun 28, 2022 ([IssueWire.com](https://www.issuewire.com)) - A highly trained hematologist-oncologist with over 35 years of experience in the field, Dr. Jaiyesimi sees patients at Beaumont Hospital, Royal Oak in Michigan. He is also an attending physician at Beaumont Hospital, Troy, and serves as an Associate Professor of Medicine at the Wayne State University School of Medicine.

Beaumont Hospital, Royal Oak opened on January 24, 1955. Today, it is a major academic and referral center with Level I adult trauma and Level II pediatric trauma status. A major teaching facility, it has 55 accredited residency and fellowship programs with 454 residents and fellows. It is the exclusive clinical partner for the Oakland University William Beaumont School of Medicine, with more than 1,400 Beaumont doctors on its faculty.

A 1986 graduate of the Western University of Health Sciences College of Osteopathic Medicine of the Pacific, Dr. Jaiyesimi went on to perform his rotating internship at Bicounty Community Hospital in 1987, and his residency in internal medicine at the Beaumont Hospital, Royal Oak in 1990. Finally, he completed his fellowship in hematology and medical oncology at the University of Texas MD Anderson Cancer Center in 1993.

Subsequent to his education, the doctor attained board certification in hematology, medical oncology, and internal medicine through the American Osteopathic Board of Internal Medicine, which is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the prevention, diagnosis, and treatment of disease in adults.

Hematology is the branch of medicine concerned with the study of the cause, prognosis, treatment, and prevention of diseases related to blood. Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A hematologist-oncologist is a physician who specializes in the diagnosis, treatment, or prevention of cancer, malignant blood diseases such as leukemia, lymphoma, and multiple myeloma, and blood disorders such as iron-deficiency anemia, clotting abnormalities, hemophilia, and sickle-cell disease.
