

Jay B. Stambler, MD, a Gastroenterologist in Private Practice

Get to know Gastroenterologist Dr. Jay B. Stambler, who serves patients in East Islip, New York.

New York City, New York Jun 14, 2022 ([IssueWire.com](https://www.issuewire.com)) - A devoted gastroenterologist, Dr. Stambler works with patients at his private practice in East Islip, New York. He also maintains hospital privileges at the South Shore University Hospital.

With a broad educational background, he completed his medical education and residency in internal medicine at the New York University School of Medicine, and his fellowship in gastroenterology at the Boston University School of Medicine.

Subsequent to his education, the doctor attained board certification in gastroenterology and internal medicine through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Gastroenterology is the branch of medicine focused on the digestive system and its disorders. A gastroenterologist is a physician who has extensive training in the diagnosis and treatment of disorders related to the esophagus, stomach, small intestines, colon, liver, pancreas, and biliary system.

Among his most notable achievements, Dr. Stambler has been the recipient of the Patients' Choice Award (2016, 2015, 2014, 2012, 2011).
