New York City, New York Jun 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. O'Connell is a nationally recognized

and board-certified physician in an emergency, integrative, regenerative, functional, and aesthetic medicine. She has decades of experience in skin care, facial rejuvenation, weight loss, and body sculpting. She currently serves patients at Sylvana Medical & Aesthetics Center in Frederick, Maryland.

The doctor recognizes that each patient is unique, with their own complex genotype, environmental factors, and lifestyles. Through advanced testing, she uncovers the underlying causes of imbalances, illnesses, and diseases, then applies a whole-person approach to address the causes instead of just treating the symptoms.

Sylvana Medical & Aesthetics Center offers a range of integrative health and wellness services, anti-aging and regenerative medicine, and an assortment of aesthetic products and treatments for patients in Frederick, Maryland, and around the world. Their highly-skilled team collectively has decades of experience in the field, providing second-to-none care to countless people in need.

With a broad educational background, Dr. O'Connell earned her undergraduate degree from Towson State University, before receiving her Master of Science degree in Medical Virology and her medical degree at Jefferson Medical College. She finished her residency in emergency medicine at The University of Maryland School of Medicine, holding titles such as Chief Resident in the Emergency Department and Assistant Clinical Professor of Emergency Medicine.

As a testament to his success, she is board-certified in emergency medicine by the American Board of Emergency Medicine (ABEM). The ABEM is one of 24 medical specialty certification boards recognized by the American Board of Medical Specialties.

Emergency medicine, also known as accident and emergency medicine, is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician works in an emergency department to care for acutely ill or injured patients on an unscheduled basis.

Among her most notable achievements, Dr. O'Connell has been the recipient of the Patients' Choice Award (2018, 2017, 2016), On-Time Doctor Award (2018), and Compassionate Doctor Recognition (2014).
