London International Olive Oil Competition**

Health Claim Awards 2022

Bari, Italy Jun 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - The London International Olive Oil Competition 2022 has come to an end and justpugliafactory emerged victorious in the awards it cares most about:

Silver Award Packaging - Label & Image

Packaging, which is divided into overall product image and label beauty won both awards.

Silver Award Health Claim

Health Claim, which analyses how healthy the participating extra virgin olive oil is.

In these categories, we won as the only olive oil producer from Apulia. Three silver medals that make us extremely proud, and which confirm the quality of our extra virgin olive oil in which all the value of our territory is captured. Indeed, our project would not exist without the local artists and artisans with whom we work passionately and share our vision, enhancing the territory and achieving great results.
