Shenzhen, Guangdong Jun 17, 2022 (Issuewire.com) - Father's Day is nearly here, and the clock is ticking to find the perfect gift for dad. Father's Day commemorates fathers and the impact fathers have on society. Great fathers not only lead by example, but have been shown to have a significant positive impact on their children's first steps toward independence. Therefore, finding the right gift can be challenging. Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, to diversify people's Father's Day ideas, launches their [2022 Father's Day Giveaway & Specials](#). Until June 30, 2022, people can obtain up to 70% discounts, a [Photo Enhancer](#) freebie, and a 30% off sitewide coupons.

Not all dads are open about their hobbies and interests, but most certainly do enjoy video and music. In Leawo's Father's Day Promo, the Video/Audio Toolkit should be the most recommended bundle for comprehensive multimedia solutions. This is a 3-in-1 video/audio solution toolkit that is able to convert video and audio files, download online videos, record audio from a computer and microphone, edit videos/audio, turn photos into a slideshow, etc. Now, with a 50% discount, this powerful bundle only costs \$74.93, saving \$74.96 in this event. The following is a detailed introduction to each product:

- [CleverGet Video Downloader](#) – CleverGet Video Downloader is a newly launched product, which is capable of downloading up to 8K videos, TV shows, live stream videos, and music videos from 1000+ websites, such as YouTube, Twitter, Vimeo, Instagram, Facebook, and more. Bundled with other modules, it can even download videos from paid services like Netflix, HBO Max, Disney+, and more. Also, with the support of playlist and batch download, as well as

hardware acceleration technology, it downloads videos more efficiently.

- [Leawo Music Recorder](#) – This music recorder helps users to easily record audio from any input audio, computer stream audio, and online music. For example, users can record music from YouTube, Spotify, AOL Music, Apple Music, Last.fm, and more. All recordings can be saved in MP3 or WAV format. For a better audio recording experience, it supports an auto filter, time scheduler, music tag editor, and many other user-friendly features.
- [Leawo Video Converter](#) – As the best video and audio converting software, it offers the best solution for users to convert video and audio files between 180+ formats, such as MP4 to MKV, MP4 to AVI, MKV to MP3, MP3 to AAC, etc. In addition to all-around conversion capacity, it can also act as a video editor to merge, trim, crop, watermark, adjust video effects, convert 2D to 3D, and more. For more efficient conversion, it even supports video/audio folder input for batch conversion.

In addition to the above-mentioned deals, Leawo also generously offers a \$29.95 Photo Enhancer as a freebie. All visitors can get a free one-year license of it by entering their name and email address on Leawo's promo page. Then, the registration code will be sent immediately. With this software, users can enhance the quality of their photos in batch by AI technology, like detail sharpening, white balance adjustment, color improvement, exposure compensation, etc.
