Upon obtaining his degree, he received medical training throughout the United States, in places like New Jersey, North Carolina, California, and New York, in addition to various cities in the Philippines.

Currently, he is a member of the American Association of Physician Specialists, and is one of the more senior providers at AFH, having joined in 1997, when the practice was called Broadway Family Medical Center.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

In addition to English, Dr. Garduño is fluent in Spanish and Tagalog.
