

Mark P. McLaughlin, MD, a Radiation Oncologist with Wellstar Radiation Oncology

Get to know Radiation Oncology Dr. Mark P. McLaughlin, who serves patients throughout the State of Georgia.

New York City, New York Jun 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - An experienced radiation oncologist, Dr. McLaughlin has been affiliated with Wellstar Radiation Oncology since 2003, serving patients in Marietta, Austell, Hiram, and Roswell, Georgia.

Wellstar radiation oncologists work as part of a greater multidisciplinary team including medical oncologists, surgical oncologists and surgeons in many specialties, genetic specialists, and more. Their patients have access to the highest standard of care from highly experienced radiation oncologists who employ a range of advanced techniques and technologies.

Pertaining to his educational pursuits, Dr. McLaughlin received his Bachelor of Science degree in Computer Science from Duke University and his medical degree from the Medical College of Georgia in Augusta. He completed his surgical internship at the Shands Teaching Hospital, College of Medicine at the University of Florida, where he also completed his residency in radiation oncology. He also holds a Master of Healthcare Administration degree from Central Michigan University.

With an unwavering commitment to his specialty, the doctor is board-certified in radiation oncology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Among his other roles, he can be found on staff at Wellstar Kennestone Hospital, Wellstar Cobb Hospital, Wellstar Paulding Hospital, Wellstar North Fulton Hospital, Wellstar Atlanta Medical Center, Wellstar Spalding Regional Hospital, Wellstar West Georgia Medical Center, and Wellstar Douglas Hospital.

Radiation oncology is a medical specialty that involves the controlled use of radiation to treat cancer. It is one of the three primary specialties – the other two being surgical and medical oncology – involved in the treatment of cancer. A radiation oncologist is a specialist physician who uses ionizing radiation in the treatment of cancer.

In his spare time, Dr. McLaughlin enjoys sports, travel, gardening, boating, martial arts, and reading.
