The company has modified the company's new direction to include topical and organic natural Cannabis and Hemp plant-based medical products as we have expressed. We have restructured the company with a productive reorganization the company and have started preparing to begin storing and manufacturing Cannabis Oil for our Clinical Trials with the FDA for our pain relief and Cancer Treatment products. The company is currently manufacturing products for customers and/or patients for testing in the Clinical Trials. Soon as we are issued our new symbol we will begin our first stage of the trails. Phase one ... Soon to be announced.

MedCann Industries, Inc. is a cannabis and hemp-based manufacturing and cultivation company with 4 subsidiaries. MedCann has begun the new format for OTC Market Disclosure and Financial filings. We have voluntarily filed 8-K's for the last two years and are presently up to date with all other filings.

MedCann Industries, Inc. Has changed to what we feel is a more professional Transfer Agent in Las Vegas and they will begin operations for us shortly.

The company is Pacific Stock Transfer.

"C.E.O. John Vivian stated: This has been the most roller coaster ride I have ever experienced. Navigating the various governmental agencies, trying to complete forms, answer questions for FINRA and post our Corporate Actions all the while dealing with the challenges FINRA, OTC Markets and all companies face in this pandemic times."
