

Mesmerizing Hip-Hop Artist HBK Boogey is Back with His Intensified Vocals in His New Release 'Same Girl'

Are you a fan of hip-hop? Then you should follow HBK Boogey. He is one of the best grooving artists who can offer you to dance along with every of his new song 'Same Girl'

San Antonio, Texas Jun 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - Be charmed by the compelling hip-hop star [HBK Boogey](#) and his extremely engaging tracks. His music is cool and his wordplays are smart along with a cool and edgy diction that can grip people and provide them with musical addition. '[Same Girl](#)' is the song that can make you dance and smile at the sweetly seamless beauty of the song. Being inspired

by Kendrick Lamar he is doing great making songs that have unique flavors. Rich Homie Quan has co-signed his music and he is now working with them. His songs are elaborately versatile and deliver a sole flavor with each number.

Boogey is from Waco, United States, and spends a great deal of time making music that will deliver his audience a great time at the party. Though there is an intriguing amount of R&B and Soul incorporation in his songs. These contrasting vibes of hip-hop and R&B have made his songs even more charming. Through his songs, he mostly delivers themes of hardships and life struggles. And these real-life down-to-earth narrations have made **HBK Boogey** a better artist as he never shies away from saying what is needed to be said. From his vocals to his music and narrations he has done some marvelous jobs in his songs.

Various songs have proved the potential he has and the skills he has in music. You should witness his previous tracks like 'The Celebrity', '140 Freestyle', 'Wicked', 'Gang Gang Gang', 'Heat Check', 'Lil Tony', 'Bill Cosby', 'Cut Off Season', 'My Situation', and '[Same Girl](#)' on all the music-streaming platforms. He has shared that he is currently working on some projects which will be disclosed soon enough. And hopefully, those upcoming tracks will be as fun as his previous songs have been. You can listen to his music on various music-streaming platforms like [Spotify](#), [SoundCloud](#), and the Video of the song is available on YouTube. You can follow him on [Facebook](#), [Instagram](#), and [Twitter](#).
