Motorcycle Enthusiasts Rally Against Addiction

Bensalem, PA The annual Ride for Recovery helps to provide critical support to Livengrin by raising funds for our continuum of services to assist addicts and alcoholics in achieving long term recovery. These funds will go towards treatment scholarships for those who wouldn't otherwise be able to afford care. Join over 200 motorcycles as they travel through Bucks County's majestic, covered bridges and conclude with music and a BBQ on Livengrin's Bensalem Campus.

"This event is especially important to our patients and their families who struggle to access treatment due to loss of employment and healthcare benefits during COVID-19. Last year's ride raised \$15,000 for Livengrin's patient scholarship fund which provides treatment access for individuals who are under-insured or have no insurance." Said David Blenk, CEO of Livengrin Foundation, Inc.
