

Musical Genius 3Mind Blight Is Spreading His Musical Aura Across The Globe

Los Angeles, California Jun 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - Oklahoma-based talented music artist 3Mind Blight is winning the hearts of the listeners with his brand new musical representation, titled 'Subliminal'. The track is skillfully crafted with a powerful musical arrangement that helps to embrace the hard-hitting subject matter. With a clock time of three and a half minutes, the engaging soundscape captivates the listeners till the end and leaves a deep impact. Energetic and witty wordplay makes the single even

more engaging as it proceeds forward. The artist offers a genre-defying dynamic musical essence in the single that is filled with gritty, intensity, and creativity as well.

Hailing from Tulsa, Mike Boucher, better known as his artist name 3Mind Blight has been working in the music industry for many years now. He started his career as a solo music artist in 2018 after 15 years of fruitful experience in music production. He likes to dabble in various music genres such as Hip-hop, Metal, rock, pop, Orchestra, and many others. With his versatility and a great sense of original music, he became an award-winning musician, songwriter, and producer as well. Some of his previous singles like, 'Halo', 'Blight Side', 'Letting Go', etc are the greatest examples of his musical creations. He has also released an instrumental album named 'Keys to Enlightenment' that contains 20 amazing compositions.

The latest single 'Subliminal' is the greatest example of Blight's musical representations and offers a blend of various flavors. Sometimes the artist is the rapper, sometimes he becomes a rocker, and other times he is a headbanger as well. His unwavering personality and diverse talent reflect through his music as well. As a result, the latest track consists of rapping, singing, and occasional screams as well. Naturally raspy vocal tone and intense lyricism make the track even more enjoyable and impactful. Comprised of a respectful roughness in his approach, the artist's unapologetic persona never fails to depict the truth. Being one of the top indie artists 3Mind Blight is looking forward to releasing more powerful singles in the coming days. Follow his official website 3mindblight.com to know more.
