

Nethues Technologies Becomes an Adobe Bronze Solution Partner Agency

New Delhi, Delhi Jun 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - Offering high-fidelity [Magento development services](#) for more than a decade, Nethues Technologies is one of India's leading web & app development agencies.

They have finally announced their official bronze solution partnership with Adobe. which makes them one big step ahead in the crowded space of eCommerce development agencies.

Every organization in the world knows Adobe's reputation. Having 40+ years of trust in the digital solutions market, Adobe provides solution partnerships to agencies offering Magento development solutions.

This accreditation is an honor, which is provided only when an agency proves its services to a certain level of excellence. Also, applying for the Adobe solution partnership requires having a team of [certified Magento 2 developers](#), which Nethues has for many years.

Now, having Adobe's support as a reliable partner, Nethues can deliver highly professional Magento development services to businesses across the US, Europe, Australia, and the UK. The list of benefits includes:-

- Complete access to Adobe's portal
- Full access to on-demand training
- Partner directory listing
- 15% discount on ADLS (Adobe Digital Learning Services)
- Adobe Commerce and Adobe Experience Manager download packages

- 3 certification vouchers
- Limited sandbox access
- Deal registration with financial benefits
- Partner badge
- 33% on certification examinations

When requested a quote on such a big achievement from [Mr. Lokesh Gupta](#) (CEO of Nethues), they said - *"We are thrilled to have become an Adobe Bronze solution partner. Our recognition in this program means our hard work has finally paid off, and Adobe officially endorses our Magento development services. This is an immense honor for the whole team. I want to thank all our customers who have trusted us over the years and appreciate our team members for consistently delivering quality services to our clients. We look forward to working with the Adobe ecosystem and will give our best to upgrade our services to the customers further and achieve another landmark in the years to come."*

Due to Adobe's Solution Partnership, Nethues Technologies can be at the forefront of the Adobe Commerce (Magento) development solution market. Through their team of certified Magento experts, they can create cutting-edge eCommerce solutions that help businesses wanting to boost their ROI, improve upon existing strategies, and provide quality solutions to their targeted audience.

About Nethues Technologies

Nethues Technologies is a 20-year-experienced web and app development agency in India.
