TURN YOUR WEBSITE INTO A PROFIT MACHINE
FOR LOCAL BUSINESS

Sheridan, Wyoming Jun 11, 2022 ([Issuewire.com](https://www.Issuewire.com)) - A new ebook titled “**Website Design Secrets**” hit the Amazon Kindle and is now available for preorders for local business owners. The book’s author, Akshay Joshi, has been helping business owners *turn their websites from an expense into a profit machine*.

Akshay is the Founder and CEO of Xseven LLC and has been helping local business owners in the United States turn website visitors into paying customers since 2013. In his latest book, he shares his best strategies and tips to help businesses get more leads and conversions with their website.

The book will release on **June 27, 2022**, but you can preorder the book for just \$0.99 and grab it at the lowest possible price while you can.
