Get to know Dentist Dr. Norah Hoverson, who serves patients in Minneapolis, Minnesota.

New York City, New York Jun 13, 2022 ([IssueWire.com](https://www.issuewire.com)) - A prominent dentist, Dr. Hoverson is affiliated with Nicollet Mall Dental Arts in Minneapolis, Minnesota. She believes dentistry is not just about treating teeth, but also about improving patients' overall health and confidence. She also offers patients Invisalign orthodontics.

The team at Nicollet Mall Dental Arts is committed to patients' individual attention and strives to provide

personalized oral health care tailored to their unique dental needs and goals. They work hard to create the ultimate stress-free and comfortable dental experience. Patients' health and comfort are their top priorities, and they do what it takes to help every patient understand their symptoms and treatment options in a relaxed office setting. It is their mission to educate and provide their patients with the best dental care in downtown Minneapolis.

Back in the early days of her academic career, Dr. Hoverson graduated summa cum laude from the University of North Dakota in 2011 and earned her Doctor of Dental Surgery degree from Marquette University School of Dentistry in 2015. From 2015-to 2016, she completed a hospital-based general practice residency at the University of Washington in Seattle, a program that is well known for its emergent, pediatric and surgical services.

On a professional level, she is an active member of the American Dental Society and the Minnesota Dental Association. She is very passionate about the advances in dentistry and attends yearly conferences such as Midwinter Meeting in Chicago, as well as continuing education classes throughout the country.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Hoverson grew up on a farm in rural North Dakota. She spent many summers in the great state of Minnesota and is very happy to be living and working in Minneapolis. In her free time, she enjoys biking, pilates, and baking. She also loves spending time with her husband Dan and her pet family.
