

Paul Alan Fickey Jr., MD, a General Surgeon in Southern Virginia

Get to know General Surgeon Dr. Paul Alan Fickey Jr., who serves patients in Southern Virginia.

New York City, New York Jun 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - A prominent general surgeon, Dr. Fickey provides long-term surgical care for patients throughout the southern region of Virginia.

Throughout his academic career, Dr. Fickey Jr. earned his medical degree from the University of Texas

Medical Branch School of Medicine in 2016 and completed residency training in general surgery at Texas Tech University Health Sciences Center, Permian Basin in Odessa, TX, and St. Elizabeth's Medical Center in Boston, MA.

Continuously advancing his efforts, he is an active member of the American College of Surgeons and the American Medical Association.

General surgery is a surgical specialty that focuses on abdominal contents including the esophagus, stomach, small bowel, colon, liver, pancreas, gallbladder, appendix and bile ducts, and often the thyroid gland. A general surgeon performs a wide range of abdominal surgeries for many forms of intestinal and abdominal wall neoplasms, gallbladder disease, and gastric and pancreatic disease. They follow the patient through critical care and surgical recovery all the way to outpatient care.
