

Philadelphia Resident Signs with Hollywood Talent Management and PR Firm

Tsingiropoulos is rumored to be signed on a three picture deal with tentative post production dates starting Fall 2022 until Spring 2023.

HOLLYWOOD

ARISTOTLE
TSINGIROPOULOS

Hollywood, California Jun 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - Actor Aristotle Tsingiroopoulos from “Recipes for Love: The Mini-Series,” has been signed by Diana R Carter from North Hollywood's Arykas and Ybots PR Firm.

Tsingiroopoulos has been cast in two huge blockbusters films that are set to open in 2023. The first one is “Dust-Off” directed by Mike Le from “PTSD A Soldier's Revenge”, “Recipes for Love”, “Level III The Motion Picture”, and “Witches and Warlocks” to mention just a few. Tsingiroopoulos will play the role of a military informant who partners with US former military Special Forces. His next film is under an NDA and details will be released accordingly.

This is a great opportunity for Aristotle, as it would be for any young actor, because signing with a talent agency is a great step and how many actors are able to take their careers to the next level. When an industry professional can see talent and marketability in a young actor, the rest of the industry can as well.

ARYKA'S & YBOT'S PR / MGT Firm is a strategic Public Relations & Talent Management Firm based in North Hollywood, California. They have dedicated their time to understanding what works and what doesn't when it comes to brand acceleration and innovation. "Throughout the years, Arykas & Ybots has been successfully acquiring an impressive client base that has created a wealth of opportunity for those who are represented by the company. The constant and never-ending development of our client base is very important to us and something that we take very seriously.

Diana Ramos-Santiago Carter, CEO of Arykas & Ybots, is an experienced Chief Executive Officer with a demonstrated history of working in the entertainment industry. Skilled in Search Engine Optimization (SEO), Negotiation, Product Placement, Exit Strategies, and CEOs.
