

Ridership Recovery & Managing Staff Shortages with Technology

Mississauga, Ontario Jun 20, 2022 ([Issuewire.com](https://www.issuewire.com)) - TripSpark Technologies, a leading provider of transit technology in North America will be conducting a free online webinar called [Ridership Recovery & Managing Staff Shortages with Technology](#) on Wednesday, June 29th, 2022 at 2:00 pm ET.

Burning issues like these have lately been troublesome for public transit agencies across USA &

Canada. With this webinar, TripSpark is looking forward to sharing some insights for successfully tackling these issues and helping their community in their own way.

Led by Jenn Van Geem, Account Manager, TripSpark, and Paul Comfort, SVP & CCO, Modaxo (TripSpark's parent company), TripSpark will be showcasing how their friends at **CityBus (Lafayette, Indiana, USA)** have harnessed the power of passenger-facing technology to overcome over these challenges.

Tune in for some insights, get your queries addressed, or have a chat with TripSpark.

Date & Time –

June 29th, 2022 at 2:00 pm ET

Location – Online (Zoom)
