Get to know Adult-Gerontology Nurse Practitioner, Ruby Parkzes, who serves patients in Clinton, Maryland.

New York City, New York Jun 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - Ruby is a certified adult-gerontology nurse practitioner with a passion for geriatrics and obesity, currently affiliated with Tribute Health & Revival, LLC in Clinton, Maryland.

At Tribute Health & Revival, their goal is to enhance patients' state of wellness and empower them by providing them with the knowledge and quality care necessary to maintain optimal health status. They recognize that patients have a choice when it comes to their healthcare provider and their goal is to be their first choice.

While a Senior in high school, Ruby completed the Certified Nursing Assistant Training (CNA) and worked as a Restorative Aide at a Long-term Care Nursing Center. It was during this time that she decided to commit to serving and making a difference in the lives of others. She would later pursue a career as a Licensed Practical Nurse (LPN).

While continuing to further her education, she attended and graduated from Prince George's Community College as a registered nurse. She then went on to graduate with honors from Walden University with a Master of Science degree in Adult-Gerontology Primary Care and attained board certification by the American Academy of Nurse Practitioners.

Continuously advancing her efforts, Ruby is an active member of several professional organizations, including the American College of Nurse Practitioners, Sigma Theta Tau, and is President of The Black Nurse Practitioners Network (DMV Chapter). She also provides preceptorship to upcoming nurse practitioners, as she loves to teach and strives to make a significant difference in health care by providing quality evidence-based training to upcoming advanced practice providers.

In her spare time, she is engaged in promoting Women's Empowerment, active in her church, engages in charity projects, enjoys traveling, and learns new crafts.

Gerontology is the study of the social, cultural, psychological, cognitive, and biological aspects of aging. A Certified Adult-Gerontology Nurse Practitioner (AGNP-C) is a nurse practitioner who specializes in continuing and comprehensive healthcare for adults across the lifespan from adolescence to older aging adults.
