

Saint Colucci Releases Debut Single Amid BTS Controversy

Los Angeles, California Jun 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - Canadian-Portuguese singer and songwriter Saint Colucci (real name Saint Von Colucci), has released his debut single “Kill and Die” this past week, amid controversy from the KPOP group BTS over their hiatus.

The song “Kill and Die” was written and produced by Colucci himself and released as the lead for his first EP entitled “Hug Me If I Cry”.

Colucci is currently shooting a Korean drama that is set to premiere on a major streaming platform by the end of 2023 and is working on releasing two more EPs by the end of this year.

Besides the lead single, the other two songs “Heartless” and “I Don’t Bleed” is also included on the EP. “Kill and Die” and “Hug Me If I Cry” is available now on all [streaming platforms](#).
