

SPYDAWEB UNVEILING “MATTER”, Track 4 from upcoming album "DEAD ON ARRIVAL"

Durant, Oklahoma Jul 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - Emo Hip-Hop and Rock collide in an emotion-fueled track, where SPYDAWEB expresses his feelings of unimportance from past love, and the rubble to pick up from it. Produced by lof and Ross Gossage, Mixed and Mastered by Next Apollo.

Written and performed by James Supplee (SPYDAWEB)

“Happy times through the arguments makes the codependency so much harder to break”
-**SPYDAWEB “Matter”**. Residing in Durant, Oklahoma, SPYDAWEB has reached over 7000 Monthly listeners, and over 50,000 All-time streams, 15,000 coming in the last month. The matter is a heavy heartfelt track that captivates audiences with its raw emotion and full layered vocals.
