

SÖT COFFEE CLUB Subscription for International Coffee Lovers from Japan

We are pleased to announce that the availability of the SÖT COFFEE CLUB subscription. Targeting to become a world-renowned coffee roastery, we bring the best quality coffee beans with the maximum freshness without the hassle of frequent reordering.

Osaka, Japan Jun 7, 2022 ([Issuewire.com](https://www.issuewire.com)) - Today, we are pleased to announce the general availability of the [SÖT COFFEE CLUB](#) subscription. Targeting to become a world-renowned award-winning coffee roastery, we bring the highest quality, delicious coffee beans with the best freshness to the Japanese domestic and international market.

For coffee lovers, we will start the service so that you can enjoy the latest coffee without the hassle of frequent reordering.

SÖT COFFEE CLUB

We will deliver the single-origin beans (beans worth 4000 yen or more) selected by Roaster every month. Beans change every month according to the season. The monthly fee is 3,500 yen (~USD 30) per month with free domestic shipping.

Other Benefits

- Benefit 1 - Pre-sale of coffee beans and tools
- Benefit 2 - Delivery of subscription-only beans
- Benefit 3 - Delivery of coupon tickets and other special offers

Subscription services are not limited to Japan, and could also be used by overseas customers with a monthly shipping fee. We are delighted that coffee lovers around the world can spend less than ~**USD 50** to keep tasting our coffee.

New subscribers of this month will receive our 2022 new crop Colombia Wush Wush Dynamic Natural in July 2022. Our roasting of this rare variety of Wush Wush was just rated by the CoffeeReview website at [95 points](#).

SOT Takarazuka Roastery Lab in Hyogo started operations in Q1 2022, and a new shop will open in the Kansai area at the end of summer 2022.

We hope to see you soon in Japan, and we are happy to share with you our experience with quality specialty coffee from Japan.
