

Steve Edward Evans Worked to Develop and Direct the Financial Plans to the Strategic Business Plan

This Press Release is written to inform the readers that Steve Edward Evans worked to develop and direct the financial plans to the strategic business plan.

New York City, New York Jun 7, 2022 ([IssueWire.com](https://www.issuewire.com)) - **Steve Edward Evans** formerly reported to the US President as CEO of The Engine Group. He was responsible for the finance and accounting, human resource, IT, real estate, and operations. He worked to develop and direct the financial plans to the strategic business plan and market opportunities.

Serving as the Chief Operating Officer at Ai Media Group, Steve was solely responsible for all the operations including client management, campaign management, technology services, finance, HR, and general administration. He worked to manage the human resource needs right from recruiting, onboarding, professional development, performance, and retention.

Steve Edward Evans formerly reported to the Global CFO as the Senior Partner at Neo@Ogilvy where he managed North American finance and operations in multiple offices. Here, he was responsible for the financial stewardship of all clients and markets within North America.

Pertaining to his education credentials, Steve completed a Bachelor of Science in Business Administration and an MBA in Finance from the University of Tennessee.
