Born on November 21, 2002, in Jaipur, Rajasthan, started working in the same industry at 18. Sunil Silgav, a digital marketing expert working with many of his clients around the world, has a crucial role in digital marketing and web creation for celebrities and brands.

When asked how he could follow two careers and time in this fast-paced, multi-tasking environment, he said, " "From digital marketing, I earned money and have a comfortable life, while entrepreneurship took my mind into research and insightful ways"." he also added that he spends at least 100 hours a week on his work and clients. He told us that the future target is to be self-reliant and to help people grow their companies efficiently, while with experience, skills, and information, you can complete tasks without power cuts.

Talking about his experience so far, he said, "We need to grow with time and technology that will help us make our lives simpler. We've been able to remain optimistic because of the entertainment industry, and we've benefited a lot from some fantastic stories."
