

Talented And Upcoming Fashionista Toneeta Beckford Releases A Original New R&B Single ‘Flashing Lights’

London, United Kingdom Jun 30, 2022 ([Issuewire.com](https://www.issuewire.com)) - R&B is the genre that offers limitless opportunities for the artists to add their creativity and artistry to the conventional mix. Young and talented R&B and Urban singer, Toneeta Beckford is taking the genre to the next level with her brilliant soundscape. She has recently released a brand-new masterpiece, 'Flashing Lights' showcasing her amazing talent and grasp over the genre. The track is her finest one featuring a brilliant infusion of modern R&B beats and sultry lyrical illustration. The dynamic melody has taken global R&B lovers by surprise. Her seductive vocal performance brings the provocative lyrics to life-giving the audience ultimate entertainment.

Hailing from West Midlands, England, the multi-talented musician has a real talent for songwriting as well. Her incredible storytelling in her music separates her from the rest. She derives inspiration from her own life and surroundings and presents them in a way that is loved by everyone. Her music is not only entertaining but relatable as well. The sublime lyrics make the audience feel connected with her as a musician and as a human being. The thought-provoking music is her way of empowering the music-lovers across the world and assuring them that they are not alone in their life.

Her latest single, 'Flashing Lights' comes along with its wonderful music video that has been released on YouTube on June 21st, 2022. The music video has become extremely popular within the Global R&B community. It has gained more than 6K views within a few days on the video-sharing platform. The viewers have shown their love for the music video in the comment section. The seductive and sizzling visuals in the video hypnotize the audience keeping them hooked and craving more. Her unmatched singing combined with her incredible dancing makes the music video not only spicy but highly entertaining as well.

Thousands of R&B musicians enter the music scene every day but not many make their way to the top. Toneeta Beckford is one of those artists who can make a huge impression on the audience within a very short time with their matchless creations and creativity. The fresh new talent in the contemporary music scene has already created a ripple in the music industry with her unique and universal original artistry. She defies the traditional notions of music-making and follows her heart while singing and songwriting. She also experiments with various rhythmic elements to come up with a versatile melody for her music that resonates with all the generations.

Toneeta Beckford is an upcoming singer-songwriter who has a talent for rapping as well. She got involved with singing and songwriting from a very young age but entered the professional music industry recently. She has mastered the genre of R&B and Urban with hard work and her natural talent. Her latest composition, 'Flashing Lights' proves her singing skill and storytelling ability through its inspiring lyrics and addictive resonance.
