Kampala, Central Jun 16, 2022 (Issuewire.com) - ThaWave Podcast is music and entertainment hosted by the creator, artist, and media personality ThaWave Entertainer and it focuses on music, celebrity gossip, fashion trends, and social media dramas.

Every week it hosts artists and celebrities who talk about their experiences and how they can inspire others. The podcast has up to 100,000 listeners and downloads from 17 countries around the world.

ThaWave Podcast has also introduced sessions to denounce gender-based violence, and child marriages by sponsoring a girl child program called “Support the girl, with a pen” which carries out sensitizations in schools.

The Podcast airs weekly on Spotify and video versions of it are broadcasted both on YouTube and Facebook.
