The Book of Paul Is The Inspirational Album Worth Listening To

Paul Askew releases his first album The Book of Paul on 06/24/22

Jacksonville, Florida Jun 22, 2022 (<u>Issuewire.com</u>) - Billboard Artist Paul Askew is an artist with music for the world to listen to which is being released on June 24th, 2022. Music that is inspirational, and motivational, spread love and tells a story. A story that anyone can relate to. In our opinion, this album has to be one of the top inspirational albums of the year.

Paul Askew gives us a sneak peek of a few of the songs on the album on Instagram https://www.instagram.com/p/CfHCbSOrSkA/. The words of the song are powerful and the lyrics are strong because each tells a story in the" Book of Paul". The music can inspire the listener. Whether it's a song about love, loss, lust, or the hardships of life, there is always going one person who can connect with what the song is saying, and consequently becomes inspired by it.

In life, we all have new experiences, and each time you listen to a new band or new style of music, you are essentially a listening experience. Well, when you have a multi-genre artist you never know what you are going to expect from the artist. It's the artist who expands the concept of their music and introduces a new listening experience to the world. Paul does that with the single Sweet, which features the new inspiring artist Dave Mando on the single from Nigeria. Dave Mando isn't just an artist featured on the song, but he's also an amazing fashion designer. Dave Mando and Paul Askew are the brilliant minds behind Paul's fashion clothing line.
