

The Prestige Group announced the launch of its smart city project Meridian Park in Bangalore

3 BHK Premium Prestige Meridian Park Apartments in Sarjapur Road, Bangalore

Karnataka, India Jun 23, 2022 ([Issuewire.com](https://www.issuewire.com)) - The [Prestige Group](#) is proud to present its newest venture Meridian Park, a tower of apartments that form The Prestige City. It is a planned development project situated at a beautiful and peaceful location at Ittangur, located on Sarjapur Road, in South-East Bangalore. There are various types of residential options such as luxurious villas, apartments with two, three, or four bedrooms, and a massive plot developed in the premium segment within the township in the city of Bangalore.

The Prestige group has used the best materials and latest tools and technology to create the most futuristic, luxurious, and technologically advanced residential spaces where nature duels peacefully alongside the residents. The organization has also made its newest project highly sustainable by including solar-powered street lamps with LED technology, charging stations for electric vehicles, and touchscreen devices offering detailed information about the temperature, humidity, and even the quality of the air in the surrounding areas, and many more.

The smart township [Prestige Meridian Park](#) covering nearly 12 million square feet has different types of apartments that have been constructed keeping the needs and requirements of urban residents of all types. The high-rise towers of the project offer high-end amenities and comfort to the buyers. The apartments have well-placed balconies with ample places and have big windows at the ideal positions to keep the rooms well ventilated all the time. They have also kept a huge stretch of greenery right before the apartments so the residents can not only enjoy its beauty but benefit from what plants offer.

Meridian Park is the most anticipated residential project of The Prestige Group at the Prestige City. Situated at the most admired sought-after location in Bangalore, the collection of residential towers offers all the facilities of a smart modern home.
