THINKWARE Father’s Day dash cam savings

London, United Kingdom Jun 1, 2022 (Issuewire.com**)** - To celebrate Father’s Day, the world-leading dash cam manufacturer, THINKWARE, has today announced a range of promotions on a variety of its popular dashcam models.

THINKWARE’s award-winning dash cams help make the roads safer by increasing driver awareness,

deterring road rage incidents, and providing vital evidence for insurance claims. Nobody can predict what will happen on the road, but with a THINKWARE dash, cam dads across the UK will have more peace of mind this Father's Day.

THINKWARE's range will be on sale between 1st – 20th June, with discounts of up to 24% off. Some of its best-selling models will be up for grabs, including the F200 PRO with 1080p Full HD crystal clear footage and the T700 – THINKWARE's first 4G LTE enabled dashcam.

"Father's Day is a time to show appreciation to our dads and we wanted to give consumers the opportunity to give a gift that will make a difference. A dashcam is a perfect present for the car or gadget-obsessed dad and these discounts are a great opportunity to give the gift of road safety with a model from our sought-after range." said a representative of THINKWARE.

All products are available across the UK, from online retailers including the official online THINKWARE UK store, Amazon, and the RAC store.

Please see the discounted range below:

F200 PRO 1CH

REDUCED FROM £129.00 TO £109.00

The F200 PRO brings you 1080p Full HD crystal clear footage and is packed full of advanced features. Keeping you and your car protected with its Advanced Parking Mode featuring Super Night Vision and time-lapse technology, the dashcam is Wi-Fi enabled for easy connectivity with the THINKWARE app. The 1CH model comes with a front camera and 16GB SD card.

F200 PRO 2CH

REDUCED FROM £199.00 TO £179.00

The more advanced of the two F200 PRO dash cams, the 2CH has all the same features as above with the additional benefits of an Advanced Driver Assistance System (ADAS), when using the GPS antenna, and access to the Cyclops Speed Camera Database with free for life updates. This model also comes with a front and rear camera, and a 32GB SD card.

F800 PRO 1CH

REDUCED FROM £199.00 TO £159.00

The F800 PRO dashcam records crisp, clear 1080p Full HD footage, with its award-winning Super Night Vision 2.0 technology keeping footage quality high, even after dark. Full of extra features such as Advanced Parking mode with Energy Saving and time-lapse technology, to keep you protected longer, the dashcam also has built-in GPS giving you access to multiple helpful aspects such as the speed camera database. The 1CH model comes with a front camera and 16GB SD card.

F800 PRO 2CH

REDUCED FROM £269.00 TO £229.00

The step-up in the F800 PRO range comes with all the features above, as well as a rear camera and 32GB SD card.

T700 1CH

REDUCED FROM £279.00 TO £249.00

The T700 is THINKWARE's first 4G LTE-enabled dashcam powered by the Vodafone Smart SIM. It offers an expansive view of the road with 1080p Full HD resolution and a wide 140-degree field of view. Users can also benefit from the dash cam's Super Night Vision and a feature-packed Parking Mode that includes, Motion and Impact Detection, time-lapse recording, and Energy Saving Parking Recording to reduce energy consumption. The 1CH model comes with the front camera and a 16GB SD card.

T700 2CH

REDUCED FROM £349.00 TO £319.00

The 2CH version of the T700 has all the features of the 1CH but with a rear camera and 32GB SD card. Both models are designed with intelligent user accessibility at the forefront and are compatible with the 'Connected Service' feature available via the THINKWARE Connected LTE smartphone app.

F200 1CH

REDUCED FROM £129.00 TO £99.00

The F200 dash cam brings you crystal clear 1080p Full HD footage in a sleek and discrete design at an affordable price – it's the perfect solution for the tech-savvy driver. Packed with additional features such as an Advanced Parking Mode, G-Sensor, and motion detection, the dashcam is also Wi-Fi Enabled with access to the Cyclops Speed Camera Database and free life Updates. The 1CH comes with a 16GB SD card and a front camera only.

F200 2CH

REDUCED FROM £169.00 TO £129.00

Offering affordable secondary camera options, the 2CH comes with an infrared internal camera as well as a larger 16GB SD card. The F200 is ideal for those who require a specialised custom setup.
