

Velocity Works Proudly Announces New Certification as a Minority Business Enterprise

Velocity Works has officially been certified by the National Minority Supplier Development Council.

Pennsylvania , United States Jun 30, 2022 ([IssueWire.com](https://www.issuewire.com)) - Velocity Works was recently certified as a Minority Business Enterprise by the National Minority Supplier Development Council as of June 30th, 2022. As a custom software development company and IT staffing agency, this certification creates exciting opportunities for Velocity Works as they have a greater chance of winning bids for contracts with large corporations and government agencies.

This honor to be certified as a minority-owned business is only just the beginning for Velocity Works as they are already a rapidly growing software and staffing company. Velocity Works is proud to be a part of the growing network of certified minority-owned businesses.

About Velocity Works

Velocity Works is a full-service [custom software development company](#) that provides custom software solutions and acts as an IT managed service provider. Their growth has allowed them to expand both nationally and internationally as they provide services both nearshore and offshore, giving customers the opportunity to find affordable solutions while also receiving top-quality products and services.

Their technical background in IT makes them the go-to experts for finding true technical IT talent. They extend their expertise to other businesses by offering [IT staffing services](#). Velocity Works knows how difficult it can be to find talented IT professionals with the skillset to match. Their experience allows them to recruit top talent for businesses, saving them time, money, and resources.

Velocity Works Founder

The founder and CEO of this established custom software development and staffing agency are Al Lopez. Al is a proud Latino American from a blended family of Venezuelan and Dominican descent. Al has proudly served his country and has made a business that is truly his own. His dedication, focus, and commitment to excellence have taken Velocity Works to new heights. This new certification as a minority-owned business is only just the beginning for this upcoming strong company.
