Warning Notice: Counterfeit Products

Fake denik Anabolic Steroids and Website www.denikanabolics.com

DenikPharm has learned that products falsely claiming to be made by denik or with imitation denik labels are currently being distributed in many areas in the Indian Sub-Continent. Some Individuals are manufacturing and distributing fake steroids using denik's name.

One such website www.denikanabolics.com is in the circulation of such products.

Counterfeit products fall short of denik's quality standards, and could possibly cause a customer's product to malfunction as well as cause serious safety issues.

We thusly guarantee our clients that we at denik never make or disperse harmful steroids. We are making a suitable lawful move against these individuals with concerned specialists.

Be advised that denik is not responsible for any malfunction or damages that may occur as a result of the use of counterfeit products and that products purchased outside of denik's authorized sales channels are not warranted by denik or supported in any way.

Customers should be aware that denik cannot implement measures such as investigations into the authenticity of products purchased from sources other than our authorized sellers.

Always check the authenticity of denik products on our official website www.denikpharm.com

Therefore, we urge that, to avoid purchasing counterfeit products, customers only purchase denik products directly from denik or through denik's authorized distributors.

We thank you in advance for your understanding and cooperation in this matter.
