

Advanced Physical Therapy of Freehold is Now a Participating Provider with Aetna Health Insurance

Freehold Township, New Jersey Jul 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Advanced Physical Therapy of Freehold](#), a division of the renowned Advanced Orthopedics and Sports Medicine Institute, announced today that it is now accepting Aetna health insurance and is a TIER 1 Aetna network provider.

“We are excited to offer Aetna plan participants access to our state-of-the-art physical therapy facility,” says [Peter Sanzio, PT](#), Clinical Director of Advanced PT of Freehold. “We look forward to working with Aetna to provide our patients and communities with greater access to high-quality physical and hand therapy.”

Advanced PT of Freehold has established itself as the community leader in providing the highest quality physical therapy to our patients. Our therapists provide the latest advanced treatments for conditions and diseases of the musculoskeletal system. These treatments include KinesioTape, Graston Technique, Cold Laser, E-PAT, and advanced strength training, all offered in our beautiful 5,000-square-foot office. The therapists provide individualized treatment plans for each patient and work in close collaboration with the physicians of Advanced Orthopedics and Sports Medicine Institute.

The practice has over 10 therapists, including Certified Hand Therapists. Our therapists combine their extensive experience with a dedication to staying abreast of the latest in treatment techniques. Each therapist is committed to delivering the most positive outcomes and experiences to their patients.

“As a TIER 1 network provider of Aetna, we’re committed to providing our patients with the best patient experience and outcomes,” Peter Sanzio, says. “Our mission is to help all our patients live their lives as active and pain-free as possible. We look forward to growing the state-of-the-art services we can provide in the communities we serve.”

Advanced Physical Therapy of Freehold is the premier physical therapy center that helps patients throughout New Jersey return to their normal activities as soon as possible. More information about Advanced Physical Therapy of Freehold can be found at www.freeholdpt.com.
