New York City, New York Jul 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - A seasoned internist, Dr. Soroka is affiliated with Prime Healthcare, PC, seeing patients in Windsor Locks, Connecticut.

Comprehensive care is the primary goal of Prime HealthCare internal medicine practitioners. They treat patients with diseases affecting particular organs or organ systems, along with chronic diseases, diabetes, hypertension, and women's and men's health issues. Their practitioners can provide general health assessments, help patients manage chronic conditions, and provide referrals to specialists when necessary.

Graduating with his Bachelor of Science degree from The City College of New York, Dr. Soroka attended the Catholic University of Louvain in Belgium for his medical education, and completed his internship at the University of Louvain Medical Center. Upon returning to the United States, he completed his residency in internal medicine at the Mount Sinai Hospital.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Among his most notable achievements, Dr. Soroka has been the recipient of the Patients' Choice Award (2018), and Compassionate Doctor Recognition (2018).
