Get to know Dentist Dr. Anirudh Patel, who serves the population of Philadelphia, Pennsylvania.

New York City, New York Sep 6, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Anirudh Patel is a board-certified dentist at Innovative Dental, who is passionate about providing quality care with a personal touch to patients in Philadelphia. Dr. A graduated from Case Western Reserve University with degrees in Chemistry, Biology, and Medical Anthropology in 2012 and from the University of Maryland in 2016, where he graduated with magna cum laude honors in the top 15 percent of his class.

As a board-certified member of the American Dental Association (ADA) and a graduate of the Academy of Modern Implant Dentistry, Dr. A stays current with the latest technology and advances in dentistry through ongoing continuing education as a member of Spear Education and the Spear Study Club and Phelan Dental Seminars. He is currently pursuing his general dentistry fellowship and is qualified in all dental specialties including dental surgery, full mouth rehabilitation, orthodontics, cosmetic and general dentistry.

After practicing dentistry for 8 years, Dr. A received the findatopdoctor.com award in 2022 and is valued by his patients for his personable and relatable manner. He is known best for his attention to detail and for hearing what his patients have to say as he believes in maintaining a good personal relationship with his patients and putting their needs first.

From a young age, Dr. A knew that he wanted to help people and that he had a gift for working with his hands and using fine motor skills. During his college years, he discovered that dentistry was the perfect fit for his skills and passion for working with people. As a perfectionist, he has always loved the intricacy and level of fine detail involved in dentistry, and he especially enjoys putting his problem-solving skills to work in improving his patients' smiles and function. With his degree in medical anthropology, Dr. A sees dentistry as a "people's business", and it is the personal aspect of dentistry and the lasting relationships he builds with his patients that keeps him coming back to work with a bright smile and a passionate spirit. Dr. A believes that the little things matter, and his patients appreciate his attention to detail and ability to relate to them while at the same time genuinely hearing what they have to say so that he can provide them with a uniquely personalized dental care experience.

After his internship at the VA in Philadelphia in his final year of dental school, Dr. A fell in love with the diverse city of Philadelphia and its people, culture, values, and "Rocky Balboa" fighting spirit. At Innovative Dental, Dr. A is honored to serve the hard-working people of Philadelphia and enjoys learning about his patients' unique backgrounds and using his knowledge and skills to improve people's smiles.

When he is not practicing dentistry, Dr. A enjoys spending time with his wonderful wife Priya who is an optometrist who has been practicing for the past 8 years in Lancaster, PA, and their two young children Nyra and Niam who are the joy of his life. A Boy Scout for life, he enjoys spending time outdoors, hiking, traveling, and working on cars. Dr. A has been a dedicated Sixers fan since the Dr. J and Allen Iverson days and also enjoys Eagles football.
